#### TWI之旅

自从成为中国大陆地区首批认证的TWI高级讲师，冯雷先生便开始了再一次的出发，在不同类型的制造业播撒着TWI的燎原火种。

在路上，播种的同时也在收获。越来越多的制造业逐步认同了TWI所蕴涵的“造物即造人”，TWI的标准化和“守破离”，TWI的主旨，指导、待人、改善和安全的技能。

在这个30分钟的演讲环节中，冯雷先生将和我们一起分享在TWI运用领域的最新研究与实践。

#### TWI Journey

Since becoming the JITA Certified Senior TWI Trainer, Mr. Feng started off again, to spread kindling of TWI on different types of manufacturing industries.

On the way, we seeded also at harvest. More and more manufacturing industries have gradually recognized the implication of TWI , “making material is creating man” , Standardization and “Observe, Break, Separate” , Job Instruction, Job Relations, Job Method and Job Safety.

In this 30 minutes’ session, Mr. Feng will share with us the latest research and practice about TWI.

### 关于日本产业训练协会 About Japan Industry Training Association (JITA)

日本产业训练协会（简称日产训）由日本通产省、劳动省和日本经济团体联盟出资于1955年7月13日成立，是日本经济团体联合会的关联团体，主要从事培养企业内指导讲师、研究和开发培训管理人员的方法等。成立后，从美国引进TWI、MTP、CCS等教程。

日产训是唯一一家受日本劳动省委托,可以做TWI TTT(Train The Trainer培训师培训)，即在日本唯一一家拥有TWI培训讲师培训资格并认证的机构。日产训成立以来的50多年里，基本每周都在为日本各大企业举办TWI课程，对17000名管理者进行了讲师培训。目前卓制已经和日产训签订长期的独家合作协议，正致力于将TWI向中国各企业推广！

JITA is the only organization consigned by Ministry of Health, Labor and Welfare to spread TWI, and the only certified organization in Japan to develop TWI trainers. For the past more than 50 years, JITA has trained more than 17,000 supervisors and managers with TWI. Now JITA is making efforts in spreading TWI all over the world.

JITA and MESCC signed a contract on a long-term cooperation in China, beginning with the First TWI TTT training in China. As many local and multinational companies in China are learning and implementing Lean Manufacturing, anyway only a few of them made it successful, MESCC has been researching on Toyota's management and production, Now MESCC has made an exclusive contract with JITA, and we are making efforts in spreading TWI all over the China.
